**Subject**: Invitation for Full-Time Financial Consultants

u-ONE Wealth Management Corp. LTD is an insurance brokerage and financial consultancy company. It was established in 2018 by a group of accomplished individuals with proven track records in various modern industries. As professionals guided by the principle of diligently serving the public, we vested our skills and knowledge in recommending solutions on life's risks and wealth management. Strengthening of financial literacy of everyone has been the major goal of the company.

Our present society displays complex mix of generations of people with different views in handling life securities, family preservation and career building. This makes each living individual a client that seeks services from our company. Our mission is to deliver cost-effective solutions for financial and insurance services. We want to keep it simple and timely for the client's personal needs.

Our company lives to its attitude in serving each life's interest first. Consequently, our sustainability plan in genuinely reaching out and empowering of clients, brands our company as their prime trusted choice.

Our Financial advisor provides full range of services and product education for clients. Willingness to grow a career in the industry is a must have attitude. The advisor will learn more as we will provide professional development, education, training and mentorship opportunities.

Do have what it takes to belong in our team? We are inviting Full-Time Advisors on commission basis.
